Good Morning Jody,

I'm so glad that Grace called you! I read the message from you last night just as I was leaving the venue for the Inclusion Conference and was saddened by it, but my first thought was actually the same thing Grace said, in that I thought she was under a lot of stress from the strike.

By the time I got home and pulled up my email again you had sent this message. Let's pow wow about this in person though, as well as the conversation around CCSD and the special ed administrators. Are you available on Tuesday afternoon?

Thank you!
Wendy

Hi Wendy,

I just wanted to let you know that Grace from DPS called me and apologized for her reaction to my Progress Monitoring 2 Template e-mail.

She said that she overreacted and was sorry. She has been subbing at a Middle School all week due to the strike and was just a bit stressed.

She wanted to make sure that we were good moving forward.

I reassured all is well and I truly enjoy working with her.

Jody
